Admissions Process

1. Interested families are encouraged to visit the school to meet the faculty and learn more about the School. It is also highly desirable for students to shadow a current student for a full or half day at the School. Please call the School to set up a time for your personal visit and date for shadowing.
2. Recommendations from two previous faculty members mailed to the School by the individuals making the recommendation.
3. Official transcripts should be sent directly to the MHS from all the institutions previously attended.
4. Upon receipt of application, application fee, recommendations and transcripts, an interview will be scheduled.
5. Admission decisions will be based on an evaluation of the application, recommendations, and school transcripts and interview.
6. A non-refundable \$500 deposit is due at the time of admission acceptance to secure enrollment.
7. Tuition cost for the 2015-2016 school year is \$9,500 with a \$500 trip fee.

“Starting a school is difficult and an abundance of work. Each year MHS is evolving tremendously just as growing adolescents evolve tremendously before revealing the adult that he or she will develop into...become. With the superior efforts and extraordinary amounts of time and energy put forth by a deeply committed group of individuals, the faculty and staff, along with the supportive parents of MHS, our school continues to grow in healthy leaps and bounds, on its path to 'become'. Grow along with everyone at Montessori High School!”
